## CELEBRATING 90 YEARS OF SERVICE

### Thank You for 90 Amazing Years!

Insight Credit Union is celebrating 90 years of service in our local communities! Through the years, we have been called Orlando District Employees Telco Credit Union, Bell-Tel Federal Credit Union, Insight Financial Credit Union, and now, Insight Credit Union. The one thing that has stayed the same, since our inception in 1935, is our dedication to serving you, our members.

At Insight Credit Union, helping you achieve your financial goals is at the forefront of what we do, and what we have done for the last 90 years. From the very beginning, we've operated under the credit union philosophy of "People Helping People". We have been committed to the communities where we live and work and remain committed to delivering exceptional financial solutions with exceptional personal service.

Beyond serving the personal financial needs of our members, we also strive to serve our community as a whole. For 90 years, Insight Credit Union has given back to Central Florida in the form of volunteer work as well as financial support of special causes. We are proud partners of organizations such as Stetson Athletics, Lake County Schools, Advent Health Foundation of DeLand, the City of Clermont, Lake Minneola High School, and so many more!

Please join us in celebrating this momentous occasion, and here's to 90 more years!
